

CS-1968PRO Single Needle, Drop Feed, Flat Bed, Industrial Sewing Machine.

Clean Sewing

Oil free take up ever

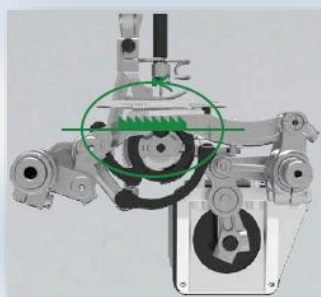

The attention to detail in the Black Diamond (DLC-plated) needle bar eliminates concerns of oil leaks.

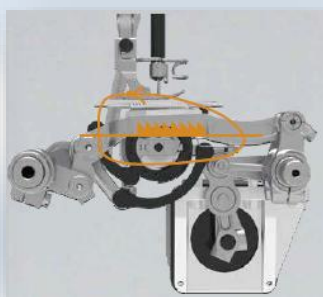

Electronic Feed System

Adjustable feeding trajectory motor to sew stitches on different fabrics.

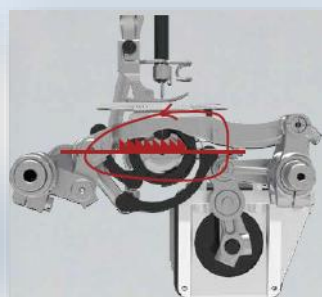

DigiFlex feed system can be used for many fabrics.

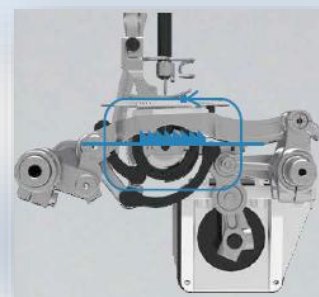

Suited for general fabrics.

Suited for soft fabrics.

Suited for stretch fabrics.
(school uniforms, etc.)

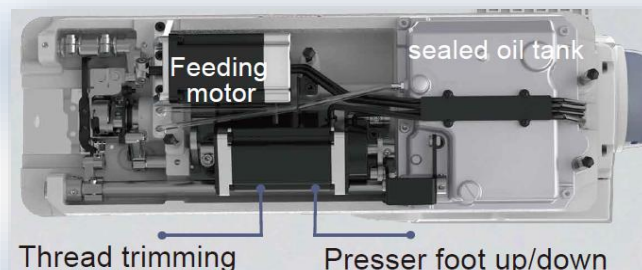

Suited for heavy fabrics.
(denim, cotton coats, etc.)

Stepping motor direct drive feed

Suited for various fabrics, and the stitch is beautiful.

The step motor can control both the trimmer system and presser foot to make them quiet.

Short thread

Double round knife trimmer system can realize the thread $\leq 3\text{mm}$ after trimming and significantly reducing manual trimming.
